Editors, Fall

With my eyes closed
I look closer
I'll aways remember

Juggernots
Screaming to a stop
Sound like devils
Are laughing

I wanted to see
I wanted to see
I wanted to see this for myself
I wanted to see
I wanted to see
I wanted to see this for myself

These dark pubs
We drink in
Somehow light up
When I'm with you

I wanted to see
I wanted to see
I wanted to see this for myself
I wanted to see
I wanted to see
I wanted to see this for myself

I wanted to see
I wanted to see
I wanted to see this for myself
I wanted to see
I wanted to see
I wanted to see this for myself

For myself...
For myself...
For myself...
self...
self...
