Sunshine, go away today
I don't feel much like dancin'
Some man's gone, he's tried to run my life
He don't know what he's askin'.

And he tells me I'd better get in line
I can't hear what he's sayin'
I grow up I'm gonna make it mine
P's and q's I've been payin'.

How much does it cost, I'll buy it
But time is all we've lost, I'll try it
He can't even run his own mind
I'll be damned if he runs mine.

Sunshine.

Sunshine, go away today
I don't feel much like dancin'
Some man's gone, he's tried to run my life
He don't know what he's askin'.

It can start to make me wonder where
The least of all I do or goin'

He says "in love and war all is fair"
He's got cards he ain't showin'.

How much does it cost, I'll buy it
But time is all we've lost, I'll try it
He can't even run his own mind
I'll be damned if he runs mine.

Sunshine.

Wow!

How much does it cost
Time is all we've lost
He can't even run his own mind
I'll be damned if he runs mine.

Sunshine.

Sunshine, come on back another day
I promise you I'll be singin'
This whole world is gonna turn around
Brand new bells will be ringin'.

No, future
No, future
No, future.
