3 Colours Red, Aniseed

Little people looking through the windows Checking out their alteregos Down.. Out.. No risk, but there is no passion Your computer's checking my rations Down.. Out.. take heed You cut, I bleed blood like aniseed My eyes dilate, reigning dreamstate I could give in to your needs If we weren't such a crossbreed You were made to sit up with the gods Eternally against the odds Down.. Out.. No risk, but there is no passion Your computer's checking my rations Down.. Out.. take heed You cut, I bleed blood like aniseed My eyes dilate, reigning dreamstate I could give in to your needs If we weren't such a crossbreed You won't take my life away You won't take my life away Little people lloking through the windows Checking out their alteregos Down..
