heres a story of how we all tried to get inside,
but got told to get lost

yeah!
what to do what to do
what to do what to do
what to do what to do
what to do what to do

what you should do is, show her whos the full pimp, whos rollin
she give you a smile and scold you
and if she does, take her out for dinner,
toy struck gold, you found yourself a gold digger!

treat her with gifts, candle light dinners
you know that pimp stuffs esquisit
man i dont have no cars,
its just chariots awaiting and hovercrafts

nar baby, check out the b-bar
you know the size aint made at the freezer
but that was before, shes taken everything
and i aint got nothing any more

i met this chick at verona named charlemain
i said hey can i buy you some chardine?
she said no thanks my man is on his way
blew smoke in my face and turned the other way
im like, come on girl, talk to me
put this jigga down and come take a walk with me
lets go somewhere quiet and get to know each other better
she put her fand in my face and said 'pssh whatever'
all of her friends just cracked up laughing
so put my hands to the floor for some boogy and dancing
just another night of getting nothing at all,
tryna hook up with these girls at this club called

Verona,Verona, Verona!
Verona,Verona, Verona!

we met this girl, verona was her name

Verona
heres a story of how we all tried to get inside
but got told to get lost...

It felt like she worked at subway, she gave me a footlong,
dressed to kill, her looks was causing my pants harm
dark hair with streaks of bol
party so hot i told her to stop drop and roll
verona was the name that she gave me

a polonesian pocohontas
yeah baby, she had big knockers
i could tell she was out of my league
a corperate office girl, what would she do with an MC?
reality kicks in, i dont need verona
im just gonna drink and score me a hang over

Hey my rebel,
whats up? hows your night been? whats up whats goin on?
go on tell me

so there she was standing with some dude in a leather jump suit and a pair of pumps
i stepped on up, and jumped in, im reptasetdacon
baby, you want this
she said no
i said yo, i can make you a big star girl lets go!
she bust up my ultimate attack
im not a velantrilliquist but she told me to talk to the hand
you know who your talking to man? its all good in five minutes you'll be calling me back
but then i came to my senses and realised it was just another sad case of rejection

what to do, what to do
what to do, what to do
what to do, what to do
what to do, what to do
