Prefab Sprout, Green Isaac (Part II)

It's hard to act so simply, it's easy to make noise.
I worship the silence that sings like a bird,
I long for the Moon as it looks from the earth :
But to have and to hold it I'd only suggest

You take one step, Green Isaac, One step away : -
Stella Mater, light is failing,
making such a fool of thee, when you'd love to be someone.
