The 5th Dimension, Wedding Bell Blues

Bill, I love you so, I always will
I look at you and see the passion eyes of May
Oh, but am I ever gonna see my wedding day
I was on your side, Bill, when you were losing
I'd never scheme or lie, Bill, there's been no fooling
But kisses and love won't carry me till you marry me Bill

I love you so, I always will
And in your voice I hear a choir of carousels
Oh, but am I ever gonna hear my wedding bells
I was the one who came running when you were lonely
I haven't lived one day not loving you only
But kisses and love won't carry me till you marry me Bill

I love you so, I always will
And, though devotion rules my heart, I take no vows
Oh, but Bill you're never gonna take those wedding vows
Oh, come on Bill
Oh, come on Bill
Come on and marry me Bill
I got the wedding bell blues
Please marry me Bill
I got the wedding bell blues
Wedding bell blues
Yeah, yeah, marry me Bill
I got the wedding bell blues
