Enrico Garzilli, Celebrate

Chorale
We represent all of mankind
Come with us, we'll stroke your mind
Forget the sadness of your fate
The strain upon your brain
And celebrate
Seasons ever shall be stream
You will teach us how to sing
Tell us stories, make us dance
Across the skies of France
And the world
Come with us, come with us
Celebrate
King of Fools
My sceptre!
Chorale
Celebrate
King of Fools
My crown!
Chorale
Celebrate

King of Fools
I am your King of Fools
I'll always twist the rules
To turn a sour day round to a festive day
Chorale
You are our King of Fools
You've got to twist the rules
King of Fools
I'll sing a canticle
Perform a miracle
I'll clown and drown your cares away today
I am your King of Fools
I'll always twist the rules
I'll outlaw politics
I'll teach you magic tricks
I'll stamp out prudery and race up revelry
And challenge you to live your fantasies

King of Fools &
Chorale
So sing a canticle
Demand a miracle
And turn a sour day
Into a festive day
Be grand and lyrical, discount satirical
Command to celebrate a holiday

Chorale
We vow for you to be our king
King of Fools
I am your king
Chorale
You must teach us how to sing
King of Fools
I am your king
Chorale
Tell us stories, make us dance
Across the skies of France
And the world
King of Fools
Your king
Chorale

Come with us, come with us
Celebrate
King of Fools
Your king
Chorale
Celebrate
King of Fools
Your king! Your king!
