Erick Right, Neva Meant

I never meant to let you go
And I just want you to know
I never meant to let you go
And now I'm all here alone
[Verse 1:]
I heard that you've been doin well with in your life
As for me I guess you can say I've been allright
To tell the truth since you left it isnt the same
And I'm going crazy here to forget your face
Even more time has past still duno what to do
I'm in so much pain cause my heart still loves you
I wish I could just turn back the time
And take back the words that let us to say goodbye
[Chorus:]
I never meant to let you go
And I just want you to know
I never meant to let you go
And now I'm all here alone
Do you still think of my baby
Do you still think of me like I still think of you
Baby it's killing me living my life stuck on you
[Verse 2:]
Baby (I don't stop so?) crazy cause it's been awhile now
Since I walked out the door regret everyday I should of loved you more babe
Are you happy with him the way I was with you
Does he make you smile the way that I use to
Even no time has past still don't know what to do
I'm in so much pain because my heart still loves you
[Chorus:]
I never meant to let you go
And I just want you to know, girl I want you to know
I never meant to let you go, let you go
And now I'm all here alone
Do you still think of my baby
Do you still think of me like I think of you
Baby it's killing me living my life stuck on you
[Bridge:]
It's time to move on
Now that your gone
I did you wrong
Sorry I didn't treat you
Right right right right...
Sorry I didn't treat you
Sorry I didn't treat you... never meant to say goodbye
[Chorus:]
I never meant to let you go, ohhh
And I just want you to know, I just want u to know
I never meant to let you go, never meant to hurt you
And now I'm all here alone, never meant to make you cry
Do you still think of my baby
Do you still think of me like I think of you
Baby it's killing me living my life stuck on you
