Exilia, Cruel

Am I too weak when I see your weapon?
Am I too sweet for your plasticliving?
Am I too deep if I dream another life?
Am I too weird, not like anybody else?

Twisting like a chain
Twisting like a chain
Twisting like a chain
Twisting like a chain
Twisting

Am I too weak for this world?
Am I too sweet for your war?
If those sad eyes are not enough for you
Am I too weak for this world?
Am I too sweet for your guns?
Am I too weak?
It's too cruel

Am I too weak when you lie to everyone?
Am I too sweet when the hunter kills someone?
Am I too deep if I see the angels fall?
Am I too weird if I'm not your lovely girl?

Twisting like a chain
Twisting like a chain
Twisting
Twisting like a chain
Twisting like a chain
Twisting

Am I too weak for this world?
Am I too sweet for your war?
If those sad eyes are not enough for you

Am I too sweet for your guns?
Am I too weak?
It's too cruel
