

3 Doors Down, Better Life

Im about to be on the floor again
Surely youre gonna find me here
Im about to sleep until the end of time
Drug I take gonna wake my fear right now

Im passing away onto the better life
Im passing away onto the better

Im about to see just how far I can fly
Surely your gonna break my fall
Im about to run as fast as I can
Head long into that wall this time

Im passing away onto the better life
Im passing away onto the better

Onto the better life
Onto the better

Im about to be on the floor again
Surely youre gonna find me here
Im about to sleep until the end of time
Drug I take gonna wake my fear right now

Im passing away onto the better life
Im passing away onto the better
