Red Hot Chili Peppers, Simple And Clean

You give me many things
lately your all i need
you smiled at and said

Dont get me wrong I love you
but does that mean i have to meet your father
when we're older you'll understand what i mean't when i said no
I don't think life is quite that simple

When you walk away
you don't hear me say please
Ohh baby don't go
and simple and clean is the that your making me feel tonight
its hard to let it go

Hold me
whatever lies beyond thin morning
is a little later on
regraudless of warnings the future dosent scare me at all
nothings like before
