Feeder, Cockroach

Sitting in the sunshine
Sipping cheap wine on a bed
Salsa in the summer
Some tequila for my head
Just take me home, just take me home (Just take me home)
I love the winter, winter, yeah yeah
Give me a phone, give me a phone (Give me a phone)
The operator
Red eyes in the sunshine
Sipping cheap wine on a bed
Salsa in the summer
Casanovas walk the stretch
Just take me home, just take me home (Just take me home)
I love the winter, winter, yeah yeah
Give me a phone, give me a phone (Give me a phone)
The operator, yeah yeah yeah
Just take me home, just take me home, just take me home
Cockroach, cockroach, cockroach, cockroach...
Sitting in the sunshine
Some tequila for my head
Just take me home, just take me home (Just take me home)
I love the winter, winter, yeah yeah
Give me a phone, give me a phone (Give me a phone)
The operator, yeah yeah yeah
Just take me home, just take me home (Just take me home)
I love the winter, winter, yeah yeah
Give me a phone, give me a phone (Give me a phone)
