Rick Nelson, Hello Walls

(Hello hello hello hello)
Hello walls (hello) how things go for you today
Don't you miss her since she upped and walked away
And I'll bet you dread to spend another lonely night with me
Lonely walls I'll keep you company
Hello window (hello) well I see that you're still here
Aren't you lonely since our darling disappeared
Well look here is that a teardrop in the corner of your pane
Don't you try to tell me that it's rain
She went away and left us all alone the way she planned
Yes we'll have to learn to get along without her if we can
Hello ceiling (hello) I'm gonna stare at you a while
You know I can't sleep so won't you bear with me awhile
We must all stick together or else I'll lose my mind
I got a feeling she'll be gone a long long time
