The Corrs, Would You Be Happier?

Have you ever wondered where the story ends
And how it all began, I do (I do, I do, I do)
Did you ever dream you were the movie star
With popcorn in your hand, I did (I did, I did, I did)
Do you ever feel you're someone else inside
And no one understands you are (you are)
And wanna dissappear inside a dream
But never wanna wake, wake up
Then you stumble on tomorrow and trip over today

Would you be happier if you weren't so untogether
The sun shine brighter if you played a bigger part
Would you be wonderful if it wasn't for the weather
You're gonna be just fine (gonna be just fine)

Are you not afraid to tell your story now
When everyone is gone it's too late (too late, too late, too late)
Was everything you ever said or done
Not the way you planned, mistake
So you promised that tomorrow'll be different than today

Would you be happier if you weren't so untogether
The sun shine brighter if you played a bigger part
Would you be wonderful if it wasn't for the weather
You're gonna be just fine (gonna be just fine)

I think you're gonna be just fine
You're gonna be just fine (fine)
So don't worry baby (don't worry baby)
You're racing for tomorrow, not finished with today

Would you be happier if you weren't so untogether
The sun shine brighter if you played a bigger part
Would you be wonderful if it wasn't for the weather
You're gonna be just fine (gonna be just fine)

Would we be happier if we weren't so untogether
The sunshine brighter if you play a bigger part
Would we be wonderful if it wasn't for the weather
I think you're gonna be just fine (gonna be just fine)
I think you're gonna be just fine (don't worry baby)
You're gonna be just fine (don't worry honey)
You're gonna be just fine (don't worry baby)
You're gonna be just fine
