

3 Doors Down, It's the Only One You've Got

How do you know where you're going
When you don't know where you've been
You hide the shame that you're not showing
And you won't let anyone in
A crowded street can be a quiet place
When you're walking alone
And now you think that you're the only
One who doesn't

Have to try
Then you won't have to fail
If you're afraid to fly
Then I guess you never will
You hide behind your walls
Of maybe nevers
Forgetting that there's something more
Than just knowing better
Your mistakes do not define you now
They tell you who you're not
You've got to live this life you're given
Like it's the only one you've got

Memories have left you broken
And the scars have never healed
The emptiness in you is growing
But so little left to fill
You're scared to look back on the days before
You're too tired to move on
And now you think that you're the only one who doesn't

Have to try
Then you won't have to fail
If you're afraid to fly
Then I guess you never will
You hide behind your walls
Of maybe nevers
Forgetting that there's something more
Than just knowing better
Your mistakes do not define you now
They tell you who you're not
You've got to live this life you're given
Like it's the only one you've got

What would it take
To get you to say that I'll try
And what would you say if
This was the last day of your life

You hide behind your walls
Of maybe nevers
Forgetting that there's something more
Than just knowing better
Your mistakes do not define you now
They tell you who you're not
You've got to live this life you're given
Like it's the only one you've got

You hide behind your walls
Of maybe nevers
Forgetting that there's something more
Than just knowing better
Your mistakes do not define you now
They tell you who you're not
You've got to live this life you're given

Like it's the only one you've got
