

# 3 Doors Down, Kryptonite

I took a walk around the world  
To ease my troubled mind  
I left my body laying somewhere  
In the sands of time  
But I watched the world float  
To the dark side of the moon

I feel there is nothing I can do, yeah

I watched the world float  
To the dark side of the moon  
After all I knew it had to be  
Something to do with you  
I really dont mind what happens now and then  
As long as youll be my friend at the end

If I go crazy then will you still  
Call me Superman  
If Im alive and well, will you be  
There a-holding my hand  
Ill keep you by my side  
With my superhuman might  
Kryptonite

You called me strong, you called me weak,  
But still your secrets I will keep  
You took for granted all the times  
I never let you down  
You stumbled in and bumped your head,  
If not for me then you'd be dead  
I picked you up and put you back  
On solid ground

If I go crazy then will you still  
Call me Superman  
If Im alive and well,  
Will you be there a-holding my hand  
Ill keep you by my side  
With my superhuman might  
Kryptonite  
Yeah!!

If I go crazy then will you still  
Call me Superman  
If Im alive and well, will you be there  
Holding my hand  
Ill keep you by my side  
With my superhuman might  
Kryptonite

If I go crazy then will you still  
Call me Superman  
If I'm alive and well,  
Will you be there a-holding my hand  
I'll keep you by my side  
With my superhuman might  
Kryptonite  
Yeah!!
