The Riverdales, Riverdale Stomp

I knew a girl maybe running light,
She always had money on her mind.
She was something like a glow
And she made it to the show
And it made her shiver every single time
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
Betty was whacked on sedatives
They said it was supposed to calm her down
But when the band started to play
Betty'd start to sweat
And the crazy chick would shake it all around
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
You know that parents think it's wrong
That kids are dancing all night long
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
Riverdale Stomp, baby lets go
