# Fly To The Sky, Naegen Nomoo Yeppun Kudae (

I only watch
I only wait
I didn't think that she was right for me
I thought that I wasn't good enough
That I didn't deserve her love
Like we're being pulled by that miracle
Let's keep that feeling that found it's way to us
I was really thankful you make me happy (you make me dream)
I can't say it but your eyes that watch me
Sometimes when I feel like I'm so mad that I loose my laughter
You are really so beautiful to me
Girl, know you have everything you need
And know I'm not good enough for you,
But I just want you to know that I love you
Are you happy like I am right now?
Thank you so much, we have tomorrow
