Salmonella Dub, Johnny

Johnny she'll get under your skin
and she won't let no-one else in.
She'll take you up and suck you dry
and go onto the next guy.

Johnny don't believe her
Johnny don't believe her oh no
Johnny don't believe her
'Cause she'll eat you up and
She'll treat you like the fool you feel
ooooh lad she did it to me
Yeah yeah yeah you will understand misery

Jonny all she does is lies
Jonny all she says is lies
Jonny all she does is lies
Jonny all she says is lies

Johnny she'll get under your skin
and she won't let no-one else in.
She'll take you up and suck you dry
and go onto the next guy.

Yeah hey hey hey
She's with you
but shes over

Johnny don't believe her
Johnny don't believe her oh no
Johnny don't believe her
'Cause she'll eat you up and
She'll treat you like the fool you feel
ooooh lad she did it to me
Yeah yeah yeah you will understand misery

Jonny all she does is lies
Jonny all she says is lies
Jonny all she does is lies
Jonny all she says is lies
Jonny all she does is lies
Jonny all she says is lies
Jonny all she does is lies
Jonny all she says is lies
Jonny all she does is lies
Jonny all she says is lies
