Sasha, Just Have A Second Away

Music: Michael B. & di Lorenzo
Lyrics: Michael B., di Lorenzo & Pete Smith
Verse 1
Just a second of your time
is all I need to make you mine
I can feel you
you know I do
If we take a little care
believing in this thing we share
walls I'll run through
to get near you
Chorus
Just a second away
just a second away
and I fall into you
nothing more I can say
all it takes is one look
and I know we'll get through
Verse 2
Dreaming of you all the time
I can't sleep until I find
your love completely
wrapped around me
People tend to come and go
but I've a feeling in my soul
moments from me
I'll know you'll be
Chorus
Bridge
It's easy to lose your way
nothing's ever cast in stone
but I'm coming home today
I've been gone for far to long
