American girls
And American guys
We'll always stand up and salute
We'll always recognize
When we see Old Glory flyin'
There's a lot of men dead
So we can sleep in peace at night
When we lay down our head

My daddy served in the army
Where he lost is right eye
But he flew a flag out in our yard
Till the day that he died
He wanted my mother
My brother
My sister and me
To grow up and live happy
In the land of the free

Now this nation that I love
Has fallen under attack
A mighty sucker punch came flyin' in
From somewhere in the back
Soon as we could see clearly
Through our big black eye
Man, we lit up your world
Like the Fourth of July

CHORUS:
Hey Uncle Sam put your name
At the top of his list
And the Statue of Liberty
Started shakin' her fist
And the eagle will fly
And there's gonna be hell
When you hear Mother Freedom
Start ringin' her bell
And it'll feel like the whole wide world
Is rainin' down on you
Brought to you courtesy
Of the Red, White and Blue

Oh justice will be served
And the battle will rage
This big dog will fight
When you rattle his cage
And you'll be sorry that you messed with
The U. S. of A.
'Cause we'll put a boot in your ass
It's the American way

Chorus

Oh, oh, of the Red, White and Blue
Oh, oh, of the Red, White and Blue
