Foxy Shazam, The French Passion Of Animality O

That concentrated gaze
you gave my eyes
I've never looked this deep into myself before
And I'm pretty sure
that I'm only human, then again I could be wrong

Sometimes I'm right
Sometimes I'm wrong
I never felt this way about anything
I am a Beast and i'm pretty sure
That there is no cure, but then again I could be wrong

The stars the stripes the godess in gold
I gotta keep a steady rythem of fashion and old
The way look the way you smell it all makes me feel
I wanna DDDDDDDDDDDDie

Live today but tonight
Chain me to the bed i wanna
Live today but tonight
Chain me to the bed and chain it tight

Out of control, I am a beast
