Frank and Derol, Barely Love You Too

(Frank and Derol, czyli siostra Miley Cyrus wraz z przyjaciółką)

Say you will
Say you won?t
You can wear my sticker
You can have my vote
I don?t really care even if you don?t
?Cause you make me smile
Yeah, you make me smile!

Telll me this
Tell me that
If I feel it too then I can say it back
?Cause every heart I?ve owned
I?ve had to give it back
Don?t you make me smile
Don?t you make me smile
Stop this game
I?m not afraid to say I?m not ashamed
You know that I would do anything
Tell me what you wanna say
Is it safe enough to say?

I barely love you too
I barely love you
I barely love you too
Hey, hey, hey
/2x

Take a chance if you dare
Make it easier for me to meet you there
And even if this road ends up at nowhere
Make it count for now
Make it count for now
Stop this game
You got me feeling like I?m so insane
You know I?d tell you but I feel restrained
Is it safe enough to say?
Qu?est-ce que c?est?

I barely love you too
I barely love you
I barely love you too
Hey, hey, hey
/2x

Don?t wanna be the first to admit it
I wanna know that you?re all in it
I feel like jumping off for the first time

I barely love you too
I barely love you
I barely love you too
Hey, hey, hey
/4x
