Frank Black, You Never Heard About Me

I had heard nobody singing and I had heard no rock and roll
It was the kind of my upbringing
Thats right
Now maybe you will see
You never heard about me
About me

Well you can write a novel and you can be a rise
You can write me something awful
Thats right
Money back guarantee
You never heard about me
About me

Well I heard your body singing and I heard your rock and roll
And I do not get the meaning
Thats right
Absolutely definately
You never ever heard about me
About me
About me
About me
