Shadow Man, Knife In My Back

I see red liquid down my hand
Where it came I don't understand
I feel it slipping out from me
Life and what will be

I see demons clustering round me
I don't know why this is happening
I trusted you with all my heart
And you tore me apart

It's coming through me
I'm bleedin, can't you see
It's coming through me
This knife in my back
That you put in me

You gave lies and fed them to me
You told me that we would always be
Then you stabbed me in the back
What did you have to gain?

I am dying internally and out
I am fading away to nothingness now
I don't know where I can go from here
So please just tell me why?

It's coming through me
I'm bleedin, can't you see
It's coming through me
This knife in my back
That you put in me

Trust
Love
Hate
Breaking apart

Trust

Love
Hate
Breaking apart

I thought I saw somethin true
I guess I was absolutely wrong about you
Why did you stab me so I
Loved you till the end

Friends, family, all clutter around
To put me in my grave set in the ground
And I know that you were the one
Who did this to me

It's coming through me
I'm bleedin, can't you see
It's coming through me
This knife in my back
That you put in me

It's coming through me
I'm bleedin, can't you see
It's coming through me
This knife in my back

That you put in me

This knife in me
This knife in me
This knife in me
In my back

This knife in me
This knife in me
This knife in me
In my back

This knife...in...me
