Slade, Let The Rock Roll Out Of Control

Leather Army, goin' barmy, givin' it some stick
Denim Jackets make a racket, layin' it on thick
Can't you see the rock there's gotta roll
Can't you see the boys are goin' out of control
Let the rock roll out of control, out of control yeah

Generatin' Guitar Heroes, holdin' all the chords
All-electric, pyro-technics, hear the Ravers roar
Can't you see the rock there's gotta roll
Can't you see the boys are goin' out of control
Let the rock roll out of control, out of control yeah, yeah

If you can't stand it, you're gettin' too old
You're never too old, to rock 'n' roll out of control, out of control

Let the rock roll out of control, Let the rock roll out of control
Let the rock roll out of control, Let the rock roll out of control
 out of control, out of control, out of control, out of control

Oh, Leather Army, goin' barmy, givin' it some stick
Denim Jackets getta-wack-it, layin' it on thick

Can't you see the rock there's gotta roll
Can't you see the boys are goin' out of control
Can't you see the rock there's gotta roll
Can't you see the boys are goin' out of control
Let the rock roll out of control, Let the rock roll out of control - etc
