

# 30 Seconds to Mars, Stronger

N-now th-th-that that don't kill me  
Can only make me stronger  
I need you to hurry up now  
Cause I can't wait much longer  
I know I got to be right now  
Cause I can't get much wronger  
Man I been waitin' all night now  
That's how long I've been on ya

I need ya right now  
I need ya right now

Let's get lost tonight  
You can be my black Kate Moss tonight  
Play secretary I'm the boss tonight  
And you don't give a damn what they all say, right?  
Awesome, the Christian in Christian Dior  
Damn they don't make 'em like this anymore  
I ask, cause I'm not sure  
Anybody out there real anymore?  
Bow in the presence of greatness  
Cause right now thou has forsaken us  
You should be honored by my lateness  
That I would even show up to this fakeness  
So go ahead go nuts, go apish  
Especially in my pastel, and my bapeness  
Act like you can't tell who made this  
New gospel homey take six, and take this, haters

N-n-now th-that that don't kill me  
Can only make me stronger  
I need you to hurry up now  
Cause I can't get much longer  
I know I got to be right now  
Cause I can't get much wronger  
Man I been waitin' all night now  
That's how long I've been on ya

I need ya right now  
I need ya right now

I don't know if you got a man or not  
If you made plans or not  
If God put me in your plans or not  
I'm trippin', this drink got me sayin' alot  
But I know that God put you in front of me  
So how the hell could you front on me  
There's a thousand yous  
There's only one of me  
I'm trippin', I'm caught up in the moment right?  
'Cause it's Louis Vuitton Don night  
So we goin' do everything that Jay'll like  
Heard they'd do anything for a Klondike  
Well I'd do anything for a blonde dyke  
And we'll do anything for the limelight  
And we'll do anything when the time is right  
Baby you're makin' it  
Harder, better, faster, stronger

N-n-now th-that that don't kill me  
Can only make me stronger  
I need you to hurry up now  
Cause I can't wait much longer  
I know I got to be right now

Cause I can't get much wronger  
Man I been waitin' all night now  
That's how long I've been on ya

I need ya right now  
I need ya right now  
I need ya right now  
I need ya right now

Don't act like I never told you  
Don't act like I never told you  
Don't act like I never told you  
Don't act like I never told you  
Don't act like I never told you  
Don't act like I never told you  
Don't act like I never told you  
Don't act like I never told you
