WASP, The Horror

There's a red worm, crawling in my head
Cut in half worm, in my blood he lies red
And I, see him in my head
Alone, sliding on the razor's edge

There's a red noise, deep inside my head
An obscure noise, and the smell of slow death
Where theres hell, there is me.
If there's a hell then I'll be ... there

Kneel before the horror
Kneel before the horror
Kneel before the horror
Kneel before the horror

I, Im the horror on the edge
Cause I, I'm the worm that cometh
I am hell, I am god, I'm the devil all in one
The eyes that hide the face inside
Stare into my eyes

A killer's listening, to horrors in my head
Hes is inside, in my blood he lies red
Alone, he watches me
He lies inside watching me

There's a red worm, deep inside my head
An obscure noise, and the smell of slow death
Where there is hell, there is me.
If there is a hell then i be ... there.

Am god, obscene death
I'm the worm on razor's edge
All pigs die, Kill, Fuck, die

I'm hell, godless me
I am pagan idolatry
Kneel before horror
Kneel before the horror
Fuck me, kill me, drink my blood
Fuck me, kill me, drink my blood
All pigs die, kill, Fuck, die
Kill, Fuck, die
Kill, Fuck, die
Kill, Fuck, die
Kill, Fuck, die
Kill, Fuck, die
Kill, Fuck, die
Kill, Fuck, die
Kill, Fuck, die
Kill, Fuck, die
Kill, Fuck, die
Kill, Fuck, die
Kill, Fuck, die
Kill, Fuck, die
Kill, Fuck, die

I, I'm the horror on the edge
Cause I, I'm the worm that cometh
I am hell, I am god, I'm the devil all in one
The eyes that hide the face inside
Stare into my eyes
