# Solar Dawn, Spellbinder

Insidous lords of utopian decay
Once on the throne of this world
Indoctrination, salvation or dismay?
Madness spawned by greed

Misanthropic conception
Equivocal beliefs
Misleading doctrin of deception

A reign of terror
And so the lie became the truth
Another debt to be repaid in blood
Decadence?
Tha fatherland supreme
"Gods" of an air-drawn nightrealm

[Chorus:]
Hate - brought forth by fear
Painstaking cleansing of disgust
Stillborn future
Never-ending hunt
Visionaries of a fallen sphere

Originators of unjustified deceit
Authors of wholesale destruction
A kingdom arisen in ruins
An empire overthrown
