Something For Kate, Three Dimensions

You're not the first to think that everything has been thought before
I spoke to an echo and he said
'Im not satisfied, I want something more'
cos i am bored with three dimensions
Im in love with three dimensions
and if I listen to the seconds
reminds me of echolalia
what now, fragments are found
in the mess and in the sound
'cos I am bored with three dimensions
Im in love with three dimensions
and if I listen to the seconds
reminds me of echola la la la la la la la..lia
la x 12
you're not the first to thinkx2
that I am bored with three dimensions
Im in love with three dimensions
and if I listen to the seconds
reminds me of echolalalalia
