# Spin 360, This Is My Story

At just the right time when I was powerless
You paid the ransom for my stains
Through faith I'm justified
and by Your grace I'm found
No longer bound by heavy chains

This is my story, this is my song
This is the theme I'll carry everywhere I go
You are my Savior, You are my God
You are the Sovereign Maker,
always in control

I will rejoice in You
because I've been set free
My filthy rags have been washed clean
I now am raised to live in newness
through Your blood
And live with You eternally
