Girls Against Boys, Exorcisto

Disco kill style
Punk ass gold power
I'll rave my head up
I'll crave my head up
Drop the funk Drop the funk
I'm sleeping
You are so now
Ya so over sugar
I'll rave my head up
Ya chic le California
I'll rave my head up
La freak le California
Drop the funk drop the sonic pacific
Drop the funk drop the trans-atlantic
You are so now - ya so over sugar
I'm glad to be insane for ya
I will enjoy I've got to
I will destroy I've got to
Let's take it all outside
Let's get up on that ride
