Girls Aloud, Crocodile Tears

Don't be a fool for the boys
Boy, you kill me
Don't lose your cool for the prize
It's bound to tease me

And you could be the one that's the head of the pack babe
You could be the power that's stealing the whole damn show
Stupid Cupid took a terrible ending
You could have your hour and be happy in all one go

Stop!
You're living under
I feel as if it's undone
We've gotta
Stop!
Before we crumble, hmm, hmm
Yeah, better stop
Before we tumble

(Uh ah, uh ah)
Why on earth did you leave me?
Yeah! (uh ah, uh ah)
Did you need to leave me?

'''Cry cry crocodile crocodile tears
Babe, cry cry crocodile crocodile tears
Don't you cry cry crocodile crocodile tears?
Why don't you, why don't you
Cry cry crocodile crocodile tears?'''

In the hours that you're tired
Babe you built the fire to burn me again
And 'cause your eyes, they defy
So why not build a bomb to blow me again?

Hmmmm Hmmm Hmmm...

And I'm giving it up,
I'm never dealing it out
Giving it up
I'm never hanging it out now
Living it up
I wanna clean it all out now
I gotta stop, dreaming away now

'''Cry cry crocodile crocodile tears
Babe, cry cry crocodile crocodile tears
Don't you cry cry crocodile crocodile tears?
Why don't you, why don't you
Cry cry crocodile crocodile tears?'''

'''Cry cry crocodile crocodile tears
Babe, cry cry crocodile crocodile tears
Don't you cry cry crocodile crocodile tears?
Why don't you, why don't you
Cry cry crocodile crocodile tears?'''
