# Guided By Voices, Scissors And The Clay Ox (In)

All the time I think I've fallen for you
You got me thinking about what I should do
To tell the truth I really haven't a clue
You get your scissors out
You get your clay ox in
I think I've fallen in love with you
I think I've fallen in love times two

You've got a sister up in Kalamazoo
She said I could really get in trouble with you
But she's really all the things that you do
You get your scissors out
You get your clay ox in
I think I've fallen in love with you
I think I've fallen in love times two

In love with you ...
