T.X.T, Girls Got A Brand New Toy

All of my life I've been waiting for you
Tear down the walls
I'll take everything.
And I'll show you all of the things we can do
Don't make a sound
dont' say anything.
Girl's got a brand new toy
She don't know how to play
she don't know how to play with it.
Girl's got a brand new boy
She don't know how to play
she don't know how to play with him.
Make a decision there's no time to loose
Dream of the night
love will let you in.
'Cause little tin soldiers won't tell you the truth
Don't hide away
only your heart can win.
Girl's got a brand new toy
She don't know how to play
she don't know how to play with it.
Girl's got a brand new toy
She don't know how to play
she don't know how to play with it.
Girl's got a brand new toy
. . .
Girl's got a brand new toy
She don't know how to play
she don't know how to play with it.
Girl's got a brand new toy
She don't know how to play
she don't know how to play with it.
