Taking Back Sunday, You're So Last Summer&nb

She said
"don't, don't let it go to your head
Boys like you are a dime a dozen,
Boys like you are a dime a dozen"
She said
"you're a touch overrated,
you're a lush and I hate it
but these grass stains on my knees
they won't mean a thing"

And all I (all I)
Need to know (need to know)
Is that I'm something you'll be missing
(is that I'm something that you're missing)
Maybe I should hate you for this (Maybe I should...)
Never really did ever quite get that far (...hate you for this)
Maybe I should hate you for this (Maybe I should...)
Never really did ever quite get that... (...hate you for this)

I'd never lie to you
Unless I had to
I'll do what I got to
Unless I had to
I'll do what I got to, the truth
is you could slit my throat
And with my one last gasping breath
I'd apologize for bleeding on your shirt

And all I (all I)
Need to know (need to know)
Is that I'm something you'll be missing
(is that I'm something that you're missing)
Maybe I should hate you for this (Maybe I should...)
Never really did ever quite get that far (...hate you for this)
Maybe I should hate you for this (Maybe I should...)
Never really did ever quite get that... (...hate you for this)

Cause I'm a wishful thinker with the worst intentions
This will be the last chance you get to drop my name
Cause I'm a wishful thinker with the worst intentions
This will be the last chance you get to drop my name

If I'm just bad news, then you're a liar (Maybe I should...)
If I'm just bad news, then you're a liar (...hate you for this)
If I'm just bad news, then you're a liar (Maybe I should...)
If I'm just bad news, then you're a liar (...hate you for this)
If I'm just bad news, then you're a liar (Maybe I should...)
If I'm just bad news, then you're a liar (...hate you for this)
If I'm just bad news, then you're a liar (Maybe I should...)
If I'm just bad news, then you're a liar (...hate you for this)

Maybe I should hate you for this
(If only you knew half as much as you pretend to)
Maybe I should hate you for this
(If only you knew half as much as you pretend to)
