9. Whiskey & Wine - (2:59)

I know what you're thinking
I know I did you wrong
but I just got this feeling
baby please hold on

The way we used to dance
now we forgot the steps
we both lost our balance
now I drink to forget

Whiskey and wine
killing me a shot at a time

You pour the liquor in the cup and you just swirl it around cause
you don't remember if you're up or you're down
a temporary fixer, moment's elixir, yeah
and I will say

I put my hand up in the air and I won't do it again, no
can't promise it because I don't pretend to know what
the price I pay, yeah yeah
not a remedy for a thing and I will do it again, no

Whiskey and wine
killing me a shot at a time
whiskey and wine
killing me a shot at a time
