Heavy Heavy Low Low, There's A Bat

there's a bat
crawling
on my neck
and it's
a
big one

and it's got your number
and it's got mine too
and it'd be quite content
to feast on you

oh my oh my oh my word

crawling on my neck
crawling on my neck

then he spoke to me
horror!
horror!
what i thought it was at first
wasnt what i though it was

there's a bat
on my neck
