Henry Fiat's Open Sore, Heil Hippie

Let's go
To the rock show
But what's this now
Not allowed
To get pissed now
You're not down
If your shirt ain't brown
Hooray for the P.C. gestapo
Another proxy fascist da capo

Woodstock - throw back
Third reich - come back

Heil hippie
Heil hippie
Aaaaaahhhhh

Don't laugh
Coz that ain't cool
You the fun's
An empirical tool
Gotta trust the opinion police
To keep everything in check
And when you trust
The opinion police
Aaaarrrgghh!

Woodstock - throw back
Third reich - come back

Heil hippie
Heil hippie
Aaaaaahhhhh

Shake hippie, hippie shake
etc...
