The Exploited, 15 Years

Back in the city
Got something to say
Kick out the tories
Send them on their way
15 years
Fuck off we say
Lazy bastards is what they say
They wont swap places with you no way
15 years
Fuck off we say
Fed up by being skint everyday
Walk the streets every fucking day
15 years
Fuck off we say
Tory mp have sex with boy
Back to basics a major ploy
