The Features, Some Way Some How

I know its hard on you
When your world has changed
Forget the map that you knew
Because its been rearranged

Oh, oh, don't you cry
Oh, oh, don't worry 'cause

No need to be alone
I'll never let you down
I'll keep you safe from harm
Some way some how

I get the feeling you knew
Just how hard it would be
Sometimes a good point of view
Is not so easy to see

Oh, oh, don't you cry
Oh, oh, don't worry 'cause

No need to be alone
I'll never let you down
I'll keep you safe from harm
Some way some how

Know you can count on me
I'll always be around
Give anything you need
Some way some how

I think I know where you've been
When situations arrive
So when it happens again
I'll be the one, I'll be around by your side

Oh, oh, don't you cry
Oh, oh, don't worry 'cause

No need to be alone
I'll never let you down
I'll keep you safe from harm
Some way some how

Know you can count on me
I'll always be around
Give anything you need
Some way some how
Some way some how
Some way some how
