The Kelly Family, I Feel Love

Lead vocals: Paddy, Mait and Angelo Kelly
Hey little pigeon where are you coming from,
you flew across the sky and now you're in my hometown.
Hey little pigeon here's where you're flying to,
take this letter to her house,
by the riverside, riverside.
Chorus
I feel love when I look,
I can't wait I'm really shooked
feel love when I look into your eyes
You searched for my treasure,
over the atlantic sky did she get my
message right did she laugh or cry.
Hey little pigeon oh if you only knew,
the things I'd do to fly with you,
to hear her reply, her reply.
Chorus
I feel love when I look,
I can't wait I'm really shooked
feel love when I look into your eyes
When I look into your eyes
When I look it feels so nice
When I look into your eyes
