Houwitser, Terror Legion

Terror legion straight out of hell - Under the flag of death metal
we march - ruthless grinding the powers of hate - furious armies -
war is at our hand - Houwitsers keep thundering a pounding
deafening sound -dive and fly from our stage join this metal rage -
Houwitsers keep thundering a blasting death metal storm -
furious raging metal assault - this is the death to which we hail -
Terror legion - lethal death squad -grinding metal - terrorizing -
devastating - destroy 'em all -
terror legion marching under the flag of death -
