

# 38 Special, Don't Wanna Get It Dirty

She won't let me be  
I know her story  
Born with a silver spoon in her mouth  
The girl ain't used to doin' without oh no  
She never lets her hair down  
She's the sweetest thing to ever wear high heels  
And drives the finest set of wheels but she

Chorus

Don't wanna get it dirty  
Won't take me for a ride  
Don't wanna get it dirty  
Don't wanna lose that shine  
She likes to drive real fast  
I like to make it last a long time  
Never seen a girl who could talk so much  
So educated but so outta touch oh yeah  
She never lets her top down  
She's the sweetest thing to ever wear high heels  
And drives the finest set of wheels but she

Chorus

Don't wanna get dirty  
I'm out to change her mind  
Let me behind the wheel baby I can drive it  
Just watch

Candy apple red so brand new  
Just wanna see what it can really do  
She says don't wanna don't wanna

Chorus

Good girls are hard to find  
Don't wanna get it dirty  
I'm out to change her mind listen to me baby  
Don't wanna get it dirty  
Let's have some fun tonight  
Don't wanna get it dirty  
Let me take you for a ride
