The Tiger Lillies, Baby's Dead

My baby, baby is dead silicon tits and giving head
My baby is dead, my baby is dead
My baby served lust now baby is turning to dust
My baby is dead, my baby is dead
The men in her would thrust to satisfy their lust
My baby is dead my baby is dead
My baby I did use for me let men abuse
My baby is dead my baby is dead
My baby got old and fat through her away I scrap
My baby is dead my baby is dead
I lied I said it was bad in fact it was just sad
My baby is dead my baby is dead
I sent baby to hell soon Ill go there as well
My baby is dead baby is dead shes dead DEAD!
