Todd Agnew, Isaiah 6

I saw the Lord, seated on a throne, high and exalted
And the train of His robe filled the temple
Above Him were angels, with six mighty wings
And with two they'd cover their faces
With two they'd cover their feet
With two, they'd fly
With two, they'd fly and sing

CHORUS
Holy, holy, holy is the Lord Almighty
The whole earth is full of His glory
He's glorious

I said, Woe to me, I am ruined
I am unclean, and so are all my kind
But my eyes have seen the King
The Lord Almighty

CHORUS
Holy, holy, holy is the Lord Almighty
The whole earth is full of His glory
He's glorious

An angel flew to me and he had fire in His hand
He put it to my lips and God took away my sin
He took away my sin

CHORUS
Holy, holy, holy is the Lord Almighty
And the whole earth is full of His glory
He's glorious
You're glorious
