Jackson United, Don't Point Your Guns At Me

i don't share your world
but i'll try to get along with you
anyway old friends make mistakes
i will still (...) you

silence, you're so self-contained
hating, everyone's to blame
everyone but you

how many years has it been since you lectured me
wish that i could understand what i did
don't point your guns at me
don't point your guns at me
but i'm not that cynical
no i'm not as cynical as you
no i'm not that cynical
no i'm not as cynical as you
i don't believe it's you

hard to believe after all
we've been through that you could end
ending has to be so hard
why's it so hard for you

silence, i don't believe you now
hating, seems like a lie somehow
not enough for me

how many years has it been since you lectured me
wish that i could understand what i'm supposed to be
don't point your guns at me
don't point your guns at me
but i'm not that cynical
no i'm not as cynical as you
no i'm not that cynical
no i'm not as cynical as you
i don't believe it's you

and i'm not that cynical
no i'm not as cynical as you
no i'm not that cynical
no i'm not as cynical as you
i don't believe it's you
