

# 38 Special, Last Thing I Ever Do

Well I crawled outta bed  
With a ringin' still in my ear  
Lord I feel lucky just to be alive  
You see I guess I forgot to duck  
Little Susie had a little too much  
And I guess I still ain't had enough  
Even if it kills me  
I'll leave that girl behind me  
Well here's lookin' at ya baby  
'Til my dyin' day  
Chorus  
If it's the last thing I ever do  
Gonna make you want me  
Like I want you  
If it's the last thing I ever do  
Ain't no denying  
What you know is true yeah yeah  
I had to come back tonight  
Was it love at first sight  
Or am I just out of my mind again  
Don't ask me to throw in the towel  
'Cause I'm tellin' the truth girl now  
You're the only girl that ever knocked me dead  
Even if it kills me  
You got me where you want me  
Well here's lookin' at you baby  
Until my dyin' day  
Chorus  
I feel it pumpin'  
My blood is runnin'  
Makin' a line straight to you  
Baby no doubt about it  
See I can't live without it  
While I'm at it  
Is there something I can do for you  
Chorus  
If it's the last thing  
If it's the last thing  
If it's the last thing I do  
I feel it pumpin'  
My blood is runnin'  
Makin' a line straight to you  
No doubt about it can't live without it  
Come on boys y'all show 'em what to do  
If it's the last thing  
If it's the last thing  
If it's the last thing I do
