Anytime you need a lover call on me, my heart is aching
Call on me, anytime you want to
Call on me baby girl I want you

[Verse 1: Jah Cure]
We grew together from way back when
She was nine and I was ten
She used to be, my next door neighbour
She even went to school with my sister makayta... yeahh
Now were two grown folks, years gone by and we still keep close
Loving me, I'm loving her... the same
I just want you to know that I love you soo... ohhhh
[Chorus:]
Anytime you need a lover call on me, I'll be waiting
Anytime you need a lover call on me, my heart is aching
Call on me, anytime you want to
Call on me baby girl I want you (want you)
Ah huh (want you)
[Verse 2: Keyshia Cole]
Loving like they say the same
We were young and playing games
I fell in love the first time I saw you
And I don't ever worry cause I know can call you... yeahh
Now were two grown folks, years gone by and we still keep close
He's lovin me, I'm lovin him the same as
[Chorus:]
Anytime you need a lover call on me, I'll be waiting
Anytime you need a lover call on me, my heart is aching
Call on me, anytime you want to
