

# 38 Special, One Time For Old Times

You're lookin' fine, it's been a long time  
I still remember everything that used to be  
Like the love, it's always so easy loving you for me  
It's been a while now time has got a smile  
I see you now love feels new to me  
Tell me have you still got a place in your heart  
Is there any chance you'll be showing me  
Chorus:  
One time for old times  
One kiss for the love we missed  
One time for old times  
And for all the love that we lost along the way  
It's still the same, nothing's really changed  
Still got the look that always got through to me  
I see you now, love feels new to me again, once again  
Tell me now, has anyone taken my place  
Is there any chance you'll come back to me  
One time for old times  
Honey, one kiss for the love we missed  
One time for old times  
And for all the love that we've lost along the way  
One time for old times  
Darlin', one kiss for the love we missed  
One time for old times  
And for all the love that we've lost along the way  
You're lookin' fine, it's been a long time  
I still remember everything that used to be  
Tell me have you still got a place in your heart  
Is there a chance you'll be showin' me  
One time for old times  
Darlin', one kiss for the love we missed  
One time for old times  
And for all the love that we've lost along the way  
One time for old times  
Honey, one kiss for the love we missed  
One time for old times  
And for all the love that we've lost along the way
